
69th Annual Commencement Ceremonies

CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA

Class of 2025

CSU The California State University
WORKING FOR CALIFORNIA

Mildred García, Ed.D.
Chancellor

Office of the Chancellor

Dear Class of 2025:

As we celebrate your accomplishments today, I hope you'll take a moment to consider how much you've changed since you first set foot on campus. In your time at the California State University, you have transformed yourself from someone with big dreams on a quest for knowledge into a person empowered to make limitless contributions to our world.

This transformation was inspired, supported and admired by your family, friends, colleagues and loved ones, who have cheered you on through your academic journey. It was spurred by your faculty, who have helped you develop a critical eye and a creative mind. And it was reinforced by the work of your counselors, advisors, librarians, tutors and coaches, who fostered an encouraging environment for you to persist, thrive and succeed.

You have filled all of us with pride.

You are now part of a vibrant network of well over four million CSU alumni who are powering California, the nation and the world. Together, you will solve our greatest challenges, educate the next generation, fight for democracy and a more just society, and enrich our workforce and communities with your talents.

As you continue on your exciting path forward, please stay connected to your alma mater and to the CSU. I hope you will use your connections – both to your campus and to other CSU alumni – to open new doors of possibility and to make a meaningful impact in your chosen field. I also encourage you to reach back often to support those who aspire to follow in your footsteps.

Today's event is called "commencement" for a reason. It is not an end, but rather the beginning of your next great pursuit. May your hard work and sacrifices lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2025. We can't wait to see all that you will accomplish.

Sincerely,

Mildred García

Office of the President

Dear Graduates,

Hard work, determination, sacrifice and fortitude brought you here today. Your commitment to your dreams, faith in your abilities, and resilience in the face of obstacles empowered you to reach this milestone, and I am honored to congratulate you.

Today, our entire community gathers to celebrate you and your accomplishments. We gather to champion your stories and journeys, and to acknowledge what your countless hours of studying and hands-on preparation have brought forth. You are well on your way to achieving your dreams of success.

As you celebrate today, know that the entire Cal Poly Pomona community is deeply proud of you, and our faculty and staff members will continue to provide support and cheer you on as you embark on your endeavors ahead.

I hope you take time to thank your friends and loved ones who helped you reach this milestone and let them know how much you appreciate their support. Cherish the relationships you've built here at Cal Poly Pomona and look to empower those who are following in your footsteps. As our esteemed alumni, you are the mentors and sources of inspiration for our future Broncos.

And so, again: Congratulations, graduates. We cannot wait to see the extraordinary things you will achieve in the years to come.

Sincerely,

Soraya M. Coley, Ph.D.
President

JULIAN A. MCPHEE AWARD

The Julian A. McPhee Award recognizes the "founding president" of Cal Poly Pomona. For more than 35 years, McPhee provided dedicated service and enlightened leadership to the people of California through his commitment to higher education. While President of Cal Poly at San Luis Obispo, McPhee established a southern branch of the college in 1938, on donated Voorhis School for Boys property in San Dimas. This branch ultimately attracted the attention of cereal magnate W.K. Kellogg. In 1949 Kellogg generously donated his famous Arabian Horse Ranch, leading to the eventual expansion of what we know today as Cal Poly Pomona. McPhee was the president of both campuses from 1938 until his retirement in 1965. He helped set the learn-by-doing educational foundation upon which the current institution continues to build.

The McPhee Award includes a certificate and medallion and is presented to one student from each college in recognition of their outstanding contributions.The Award is made possible by an anonymous donor who worked alongside McPhee during the rapid post-World War II growth of Cal Poly Pomona.

ACADEMIC HONORS

A gold cord indicates graduation with academic honors. Cal Poly Pomona grants honors upon baccalaureate graduation to students who have demonstrated academic excellence throughout their higher education careers. Honors are designated by symbols below for those who graduated Fall 2023 or applied for graduation for Spring and Summer 2025. Honors are contingent upon final grades.

Summa Cum Laude (**SCL**) 3.80-4.00 Magna Cum Laude (**MCL**) 3.65-3.79 Cum Laude (**CL)** 3.50-3.64

ACADEMIC DRESS

According to the American Council on Education, the origins of academic dress date back to the 12th century, when universities were taking form. It wasn't until the late 19th century that American institutions agreed on a standard form of dress. A code was adopted in 1895 and is followed today by most institutions in the United States.

GOWNS: The bachelor's gown has long, pointed sleeves while the master's gown has an oblong sleeve open at the wrists. The doctor's gown has an oblong sleeve and is adorned with velvet panels on the front and with cross bars on the sleeves. Gowns are always black, with a few exceptions for doctoral robes and for students receiving special honors, such as the green robes worn by those receiving the Julian A. McPhee Award.

HOODS: signify the subject and the institution awarding the degree. They are worn by those with an advanced degree. According to tradition, the length of the hood worn for the master's degree is three and one-half feet and for the doctor's degree, four feet. The hoods are lined with the official color or colors of the institution conferring the degree. The binding or edging of the hood is velvet or velveteen, and the color identifies the subject to which the degree pertains.

CAPS: In the United States, a black mortarboard is most commonly used, with the tassel on the right prior to awarding the bachelor's degree. The tassel is in a color representing the discipline in which the degree is awarded.

LIST OF CANDIDATES

This program does not constitute an official list of degrees granted. It includes names of those who graduated Fall 2024, or applied for graduation for Spring and Summer 2025. Every effort is made to ensure the accuracy of this listing. We extend our apologies to anyone whose name, designation, or degree is incorrectly listed or who was inadvertently omitted.

LIVE STREAM: Friends and family members unable to attend today's ceremony are invited to view live video streaming on their computers at home, and watch "live" with a slight delay. To see the live on-demand video, please visit **www.video.cpp.edu** and follow the link to today's ceremony. In addition, each ceremony will be archived at this site for future viewing.

DON B. HUNTLEY COLLEGE OF AGRICULTURE

This ceremony is a celebration of our graduates and an opportunity to express gratitude to their families and friends who have supported them throughout their years of hard work and dedication. It is also a time to show appreciation to the faculty and staff who have invested their lives into educating our students. Today marks both a culmination of success and the start of a new journey. We welcome you today as we honor our graduates together.

COLLEGE OF EDUCATION AND INTEGRATIVE STUDIES

It is with great honor that I share this moment with you and your loved ones. On this momentous occasion, let us reflect on the words of civil rights activist Dr. Audre Lorde: "When I dare to be powerful, to use my strength in the service of my vision, then it becomes less and less important whether I am afraid." Take this in because the future of our communities depend on what you do with your degrees and credentials. Although it may seem like a huge weight, you're not alone. Remember your talents, gifts, passion, and actions are needed. Congratulations Class of 2025!

Warmly,

Jenelle S. Pitt-Parker Ph.D.

COLLEGE OF ENGINEERING

On behalf of the faculty and staff in the College of Engineering, I offer our sincere congratulations! We challenged you through a Learn by Doing education in our classrooms, laboratories, and beyond, and today we honor you for your achievements! Your diploma signals that you have a deep understanding of your discipline and can solve difficult problems. Take this moment to reflect on your journey and the people who helped you get here--faculty, staff, fellow students, friends, and family. We are proud to call you a Bronco and can't wait to see what you do in your profession and community!

Be well,

Andrew Ketsdever

COLLEGE OF ENVIRONMENTAL DESIGN

Congratulations, Class of 2025! Today, we celebrate your hard work, creativity, and perseverance. Your time at Cal Poly Pomona has prepared you to make a meaningful impact in your communities and beyond. This achievement is shared with the family, friends, faculty, and staff who supported you along the way. As you begin this next chapter, remember you will always be part of the ENV family. We look forward to seeing the future you will build.

Mary Anne Alabanza Akers, Ph.D.

COLLEGE OF LETTERS, ARTS, AND SOCIAL SCIENCES

Dear Class of 2025:
Congratulations! A Cal Poly Pomona degree shows the world that you have gained the skills to be a lifelong learner. "Become by Doing" has taught you to understand and propose solutions to complex problems and prepared you to navigate a long career path – regardless of what twists and turns occur. Whether you came to campus as a freshman or as a transfer student, you have had a positive impact. Through clubs, study abroad, and friendships, you have created a vital and engaged community. Please return to campus to share your adventures and successes with us and the next generation of Broncos.
With gratitude,

Camille Johnson, Ph.D.

COLLEGE OF SCIENCE

On behalf of the faculty and staff of the College of Science, I offer you my sincere congratulations.

Whether you choose to enter the workforce immediately or continue your studies, you will find that your education at Cal Poly Pomona is valuable and relevant.

Please remember the people who helped you get here. Faculty, advisors, staff, fellow students, and family and friends. We are so proud of your accomplishment!

When you graduate, you become a permanent part of the Cal Poly Pomona family. Please stay in touch with us. I know you will accomplish much and impact the lives of many. Good luck!

Alison A. Baski, Ph.D.
